30 NEW SECTION. **Section 3. Applicability.** This part applies to all powers of attorney except:

(1) a power to the extent it is coupled with an interest in the subject of the power, including a power given to or for the benefit of a creditor in connection with a credit transaction;

(2) a power to make health care decisions;

(3) a proxy or other delegation to exercise voting rights or management rights with respect to an entity; and

(4) a power created on a form prescribed by a government or governmental subdivision, agency, or instrumentality for a governmental purpose.

NEW SECTION. Section 4. Execution of power of attorney. A power of attorney must be signed by the principal or in the principal's conscious presence by another individual directed by the principal to sign the principal's name on the power of attorney. A signature on a power of attorney is presumed to be genuine if the principal acknowledges the signature before a notary public or other individual authorized by law to take acknowledgments.

NEW SECTION. Section 5. Validity of power of attorney. (1) A power of attorney executed in this state on or after [the effective date of this act] is valid if its execution complies with [section 4].

(2) A power of attorney executed in this state before [the effective date of this act] is valid if its execution complied with the law of this state as it existed at the time of execution.

(3) A power of attorney executed other than in this state is valid in this state if, when the power of attorney was executed, the execution complied with:

(a) the law of the jurisdiction that determines the meaning and effect of the power of attorney pursuant to [section 6]; or

(b) the requirements for a military power of attorney pursuant to 10 U.S.C. 1044b.

(4) Except as otherwise provided by statute other than this part, a photocopy or electronically transmitted copy of an original power of attorney has the same effect as the original.

NEW SECTION. Section 6. Meaning and effect of power of attorney. The meaning and effect of a power of attorney is determined by the law of the jurisdiction indicated in the power of attorney and, in the absence of an indication of jurisdiction, by the law of the jurisdiction in which the power of attorney was executed.

1 **NEW SECTION. Section 7. Nomination of conservator or guardian -- relation of agent to**
2 **court-appointed fiduciary.** (1) In a power of attorney, a principal may nominate a conservator or guardian of the
3 principal's estate or guardian of the principal's person for consideration by the court if protective proceedings for
4 the principal's estate or person are begun after the principal executes the power of attorney. Except for good
5 cause shown or disqualification, the court shall make its appointment in accordance with the principal's most
6 recent nomination.

7 (2) If, after a principal executes a power of attorney, a court appoints a conservator or guardian of the
8 principal's estate or other fiduciary charged with the management of some or all of the principal's property, the
9 agent is accountable to the fiduciary as well as to the principal. The power of attorney is not terminated and the
10 agent's authority continues unless limited, suspended, or terminated by the court.

11
12 **NEW SECTION. Section 8. When power of attorney effective.** (1) A power of attorney is effective
13 when executed unless the principal provides in the power of attorney that it becomes effective at a future date
14 or upon the occurrence of a future event or contingency.

15 (2) If a power of attorney becomes effective upon the occurrence of a future event or contingency, the
16 principal, in the power of attorney, may authorize one or more persons to determine in a writing or other record
17 that the event or contingency has occurred.

18 (3) If a power of attorney becomes effective upon the principal's incapacity and the principal has not
19 authorized a person to determine whether the principal is incapacitated or the person authorized is unable or
20 unwilling to make the determination, the power of attorney becomes effective upon a determination in a writing
21 or other record by:

22 (a) a physician that the principal is incapacitated within the meaning of [section 2(5)(a)]; or

23 (b) an attorney at law, a judge, or an appropriate governmental official that the principal is incapacitated
24 within the meaning of [section 2(5)(b)].

25 (4) A person authorized by the principal in the power of attorney to determine that the principal is
26 incapacitated may act as the principal's personal representative pursuant to the Health Insurance Portability and
27 Accountability Act of 1996, sections 1171 through 1179 of the Social Security Act, 42 U.S.C. 1320d, et seq., and
28 applicable regulations to obtain access to the principal's health care information and communicate with the
29 principal's health care provider.

1 **NEW SECTION. Section 9. Termination of power of attorney or agent's authority.** (1) A power of

2 attorney terminates when:

3 (a) the principal dies;

4 (b) the principal becomes incapacitated if the power of attorney is not durable;

5 (c) the principal revokes the power of attorney;

6 (d) the power of attorney provides that it terminates;

7 (e) the purpose of the power of attorney is accomplished; or

8 (f) the principal revokes the agent's authority or the agent dies, becomes incapacitated, or resigns and
9 the power of attorney does not provide for another agent to act under the power of attorney.

10 (2) An agent's authority terminates when:

11 (a) the principal revokes the authority;

12 (b) the agent dies, becomes incapacitated, or resigns;

13 (c) an action is filed for the dissolution or annulment of the agent's marriage to the principal or their legal
14 separation, unless the power of attorney otherwise provides; or

15 (d) the power of attorney terminates.

16 (3) Unless the power of attorney otherwise provides, an agent's authority is exercisable until the authority
17 terminates under subsection (2), notwithstanding a lapse of time since the execution of the power of attorney.

18 (4) Termination of an agent's authority or of a power of attorney is not effective as to the agent or another
19 person that, without actual knowledge of the termination, acts in good faith under the power of attorney. An act
20 so performed, unless otherwise invalid or unenforceable, binds the principal and the principal's successors in
21 interest.

22 (5) Incapacity of the principal of a power of attorney that is not durable does not revoke or terminate the
23 power of attorney as to an agent or other person that, without actual knowledge of the incapacity, acts in good
24 faith under the power of attorney. An act so performed, unless otherwise invalid or unenforceable, binds the
25 principal and the principal's successors in interest.

26 (6) The execution of a power of attorney does not revoke a power of attorney previously executed by
27 the principal unless the subsequent power of attorney provides that the previous power of attorney is revoked
28 or that all other powers of attorney are revoked.

29
30 **NEW SECTION. Section 10. Coagents or successor agents.** (1) A principal may designate two or

1 more persons to act as coagents. Unless the power of attorney otherwise provides, each coagent may exercise
2 its authority independently.

3 (2) A principal may designate one or more successor agents to act if an agent resigns, dies, becomes
4 incapacitated, is not qualified to serve, or declines to serve. A principal may grant authority to designate one or
5 more successor agents to an agent or other person designated by name, office, or function. Unless the power
6 of attorney otherwise provides, a successor agent:

7 (a) has the same authority as that granted to the original agent; and

8 (b) may not act until all predecessor agents have resigned, died, become incapacitated, are no longer
9 qualified to serve, or have declined to serve.

10 (3) Except as otherwise provided in the power of attorney and subsection (4), an agent that does not
11 participate in or conceal a breach of fiduciary duty committed by another agent, including a predecessor agent,
12 is not liable for the actions of the other agent.

13 (4) An agent that has actual knowledge of a breach or imminent breach of fiduciary duty by another agent
14 shall notify the principal and, if the principal is incapacitated, take any action reasonably appropriate in the
15 circumstances to safeguard the principal's best interest. An agent that fails to notify the principal or take action
16 as required by this subsection is liable for the reasonably foreseeable damages that could have been avoided
17 if the agent had notified the principal or taken the action.

18
19 **NEW SECTION. Section 11. Reimbursement and compensation of agent.** Unless the power of
20 attorney otherwise provides, an agent is entitled to reimbursement of expenses reasonably incurred on behalf
21 of the principal and to compensation that is reasonable under the circumstances.

22
23 **NEW SECTION. Section 12. Agent's acceptance.** Except as otherwise provided in the power of
24 attorney, a person accepts appointment as an agent under a power of attorney by exercising authority or
25 performing duties as an agent or by any other assertion or conduct indicating acceptance.

26
27 **NEW SECTION. Section 13. Agent's duties.** (1) Notwithstanding provisions in the power of attorney,
28 an agent that has accepted appointment shall:

29 (a) act in accordance with the principal's reasonable expectations to the extent actually known by the
30 agent and, otherwise, in the principal's best interest;

1 (b) act in good faith; and

2 (c) act only within the scope of authority granted in the power of attorney.

3 (2) Except as otherwise provided in the power of attorney, an agent that has accepted appointment shall:

4 (a) act loyally for the principal's benefit;

5 (b) act so as not to create a conflict of interest that impairs the agent's ability to act impartially in the
6 principal's best interest;

7 (c) act with the care, competence, and diligence ordinarily exercised by agents in similar circumstances;

8 (d) keep a record of all receipts, disbursements, and transactions made on behalf of the principal;

9 (e) cooperate with a person that has authority to make health care decisions for the principal to carry
10 out the principal's reasonable expectations to the extent actually known by the agent and, otherwise, act in the
11 principal's best interest; and

12 (f) attempt to preserve the principal's estate plan, to the extent actually known by the agent, if preserving
13 the plan is consistent with the principal's best interest based on all relevant factors, including:

14 (i) the value and nature of the principal's property;

15 (ii) the principal's foreseeable obligations and need for maintenance;

16 (iii) minimization of taxes, including income, estate, inheritance, generation-skipping transfer, and gift
17 taxes; and

18 (iv) eligibility for a benefit, a program, or assistance under a statute or regulation.

19 (3) An agent that acts in good faith is not liable to any beneficiary of the principal's estate plan for failure
20 to preserve the plan.

21 (4) An agent that acts with care, competence, and diligence for the best interest of the principal is not
22 liable solely because the agent also benefits from the act or has an individual or conflicting interest in relation to
23 the property or affairs of the principal.

24 (5) If an agent is selected by the principal because of special skills or expertise possessed by the agent
25 or in reliance on the agent's representation that the agent has special skills or expertise, the special skills or
26 expertise must be considered in determining whether the agent has acted with care, competence, and diligence
27 under the circumstances.

28 (6) Absent a breach of duty to the principal, an agent is not liable if the value of the principal's property
29 declines.

30 (7) An agent that exercises authority to delegate to another person the authority granted by the principal

1 or that engages another person on behalf of the principal is not liable for an act, error of judgment, or default of
2 that person if the agent exercises care, competence, and diligence in selecting and monitoring the person.

3 (8) Except as otherwise provided in the power of attorney, an agent is not required to disclose receipts,
4 disbursements, or transactions conducted on behalf of the principal unless ordered by a court or requested by
5 the principal, a guardian, a conservator, another fiduciary acting for the principal, a governmental agency having
6 authority to protect the welfare of the principal, or, upon the death of the principal, by the personal representative
7 or successor in interest of the principal's estate. If so requested, within 30 days the agent shall comply with the
8 request or provide a writing or other record substantiating why additional time is needed and shall comply with
9 the request within an additional 30 days.

10
11 **NEW SECTION.** **Section 14. Exoneration of agent.** A provision in a power of attorney relieving an
12 agent of liability for breach of duty is binding on the principal and the principal's successors in interest except to
13 the extent the provision:

14 (1) relieves the agent of liability for breach of duty committed dishonestly, with an improper motive, or
15 with reckless indifference to the purposes of the power of attorney or the best interest of the principal; or

16 (2) was inserted as a result of an abuse of a confidential or fiduciary relationship with the principal.
17

18 **NEW SECTION.** **Section 15. Judicial relief.** (1) The following persons may petition a court to construe
19 a power of attorney or review the agent's conduct and grant appropriate relief:

20 (a) the principal or the agent;

21 (b) a guardian, conservator, or other fiduciary acting for the principal;

22 (c) a person authorized to make health care decisions for the principal;

23 (d) the principal's spouse, parent, or descendant;

24 (e) an individual who would qualify as a presumptive heir of the principal;

25 (f) a person named as a beneficiary to receive any property, benefit, or contractual right on the principal's
26 death or as a beneficiary of a trust created by or for the principal that has a financial interest in the principal's
27 estate;

28 (g) a governmental agency having regulatory authority to protect the welfare of the principal;

29 (h) the principal's caregiver or another person that demonstrates sufficient interest in the principal's
30 welfare; and

1 (i) a person asked to accept the power of attorney.

2 (2) Upon motion by the principal, the court shall dismiss a petition filed under this section unless the court
3 finds that the principal lacks capacity to revoke the agent's authority or the power of attorney.

4
5 **NEW SECTION. Section 16. Agent's liability.** An agent that violates this part is liable to the principal
6 or the principal's successors in interest for the amount required to:

7 (1) restore the value of the principal's property to what it would have been had the violation not occurred;
8 and

9 (2) reimburse the principal or the principal's successors in interest for the attorney fees and costs paid
10 on the agent's behalf.

11
12 **NEW SECTION. Section 17. Agent's resignation -- notice.** Unless the power of attorney provides a
13 different method for an agent's resignation, an agent may resign by giving notice to the principal and, if the
14 principal is incapacitated:

15 (1) to the conservator or guardian, if one has been appointed for the principal, and a coagent or
16 successor agent; or

17 (2) if there is no person described in subsection (1), to:

18 (a) the principal's caregiver;

19 (b) another person reasonably believed by the agent to have sufficient interest in the principal's welfare;

20 or

21 (c) a governmental agency having authority to protect the welfare of the principal.

22
23 **NEW SECTION. Section 18. Acceptance of and reliance upon acknowledged power of attorney.**

24 (1) For purposes of [section 19] and this section, "acknowledged" means purportedly verified before a notary
25 public or other individual authorized to take acknowledgements.

26 (2) A person that in good faith accepts an acknowledged power of attorney without actual knowledge
27 that the signature is not genuine may rely upon the presumption under [section 4] that the signature is genuine.

28 (3) A person that in good faith accepts an acknowledged power of attorney without actual knowledge
29 that the power of attorney is void, invalid, or terminated, that the purported agent's authority is void, invalid, or
30 terminated, or that the agent is exceeding or improperly exercising the agent's authority may rely upon the power

of attorney as if the power of attorney were genuine, valid, and still in effect, the agent's authority were genuine, valid, and still in effect, and the agent had not exceeded and had properly exercised the authority.

(4) A person that is asked to accept an acknowledged power of attorney may request, and rely upon, without further investigation:

(a) an agent's certification under penalty of perjury of any factual matter concerning the principal, agent, or power of attorney;

(b) an English translation of the power of attorney if the power of attorney contains, in whole or in part, language other than English; and

(c) an opinion of counsel as to any matter of law concerning the power of attorney if the person making the request provides in a writing or other record the reason for the request.

(5) An English translation or an opinion of counsel requested under this section must be provided at the principal's expense unless the request is made more than 7 business days after the power of attorney is presented for acceptance.

(6) For purposes of [section 19] and this section, a person that conducts activities through employees is without actual knowledge of a fact relating to a power of attorney, a principal, or an agent if the employee conducting the transaction involving the power of attorney is without actual knowledge of the fact.

NEW SECTION. Section 19. Liability for refusal to accept acknowledged power of attorney. (1)

Except as otherwise provided in subsection (2):

(a) a person shall either accept an acknowledged power of attorney or request a certification, a translation, or an opinion of counsel under [section 18(4)] no later than 7 business days after presentation of the power of attorney for acceptance;

(b) if a person requests a certification, a translation, or an opinion of counsel under [section 18(4)], the person shall accept the power of attorney no later than 5 business days after receipt of the certification, translation, or opinion of counsel; and

(c) a person may not require an additional or different form of power of attorney for authority granted in the power of attorney presented.

(2) A person is not required to accept an acknowledged power of attorney if:

(a) the person is not otherwise required to engage in a transaction with the principal in the same circumstances;

(b) engaging in a transaction with the agent or the principal in the same circumstances would be inconsistent with federal law;

(c) the person has actual knowledge of the termination of the agent's authority or of the power of attorney before exercise of the power;

(d) a request for a certification, a translation, or an opinion of counsel under [section 18(4)] is refused;

(e) the person in good faith believes that the power is not valid or that the agent does not have the authority to perform the act requested, whether or not a certification, a translation, or an opinion of counsel under [section 18(4)] has been requested or provided; or

(f) the person makes or has actual knowledge that another person has made a report to the local office of the department of public health and human services stating a good faith belief that the principal may be subject to physical or financial abuse, neglect, exploitation, or abandonment by the agent or a person acting for or with the agent.

(3) A person that refuses in violation of this section to accept an acknowledged power of attorney is subject to:

(a) a court order mandating acceptance of the power of attorney; and

(b) liability for reasonable attorney fees and costs incurred in any action or proceeding that confirms the validity of the power of attorney or mandates acceptance of the power of attorney.

NEW SECTION. Section 20. Principles of law and equity. Unless displaced by a provision of this part, the principles of law and equity supplement this part.

NEW SECTION. Section 21. Laws applicable to financial institutions and entities. This part does not supersede any other law applicable to financial institutions or other entities, and the other law controls if inconsistent with this part.

NEW SECTION. Section 22. Remedies under other law. The remedies under this part are not exclusive and do not abrogate any right or remedy under the law of this state other than this part.

NEW SECTION. Section 23. Authority that requires specific grant -- grant of general authority.

(1) An agent under a power of attorney may do the following on behalf of the principal or with the principal's

property only if the power of attorney expressly grants the agent the authority and exercise of the authority is not otherwise prohibited by another agreement or instrument to which the authority or property is subject:

(a) create, amend, revoke, or terminate an inter vivos trust;

(b) make a gift;

(c) create or change rights of survivorship;

(d) create or change a beneficiary designation;

(e) delegate authority granted under the power of attorney;

(f) waive the principal's right to be a beneficiary of a joint and survivor annuity, including a survivor benefit under a retirement plan;

(g) exercise fiduciary powers that the principal has authority to delegate; or

(h) disclaim property, including a power of appointment.

(2) Notwithstanding a grant of authority to do an act described in subsection (1), unless the power of attorney otherwise provides, an agent that is not an ancestor, spouse, or descendant of the principal may not exercise authority under a power of attorney to create in the agent or in an individual to whom the agent owes a legal obligation of support an interest in the principal's property, whether by gift, right of survivorship, beneficiary designation, disclaimer, or otherwise.

(3) Subject to subsections (1), (2), (4), and (5), if a power of attorney grants to an agent authority to do all acts that a principal could do, the agent has the general authority described in 72-31-224 through 72-31-226.

(4) Unless the power of attorney otherwise provides, a grant of authority to make a gift is subject to [section 43].

(5) Subject to subsections (1), (2), and (4), if the subjects over which authority is granted in a power of attorney are similar or overlap, the broadest authority controls.

(6) Authority granted in a power of attorney is exercisable with respect to property that the principal has when the power of attorney is executed or acquires later, whether or not the property is located in this state and whether or not the authority is exercised or the power of attorney is executed in this state.

(7) An act performed by an agent pursuant to a power of attorney has the same effect and inures to the benefit of and binds the principal and the principal's successors in interest as if the principal had performed the act.

NEW SECTION. Section 24. Incorporation of authority. (1) An agent has authority described in

72-31-223 through 72-31-236, [sections 23 and 43], and this section if the power of attorney refers to general authority with respect to the descriptive term for the subjects stated in 72-31-224 through 72-31-236 and [section 43] or cites the section in which the authority is described.

(2) A reference in a power of attorney to general authority with respect to the descriptive term for a subject in 72-31-224 through 72-31-236 and [section 43] or a citation to a section of 72-31-224 through 72-31-236 and [section 43] incorporates the entire section as if it were set out in full in the power of attorney.

(3) A principal may modify authority incorporated by reference.
